

Yukon Fitness In-Home Lifetime Warranty Terms and Conditions

This agreement describes the terms and conditions for the Yukon Fitness In-Home Lifetime Warranty. Since IncrediBody.com is an authorized Yukon Fitness reseller, you are protected by the following Yukon Fitness In-Home Lifetime Warranty when you purchase from IncrediBody.com. This warranty only applies to products purchased from an authorized Yukon Fitness reseller (such as IncrediBody.com).

Yukon Fitness Equipment warrants its products against defects in materials and workmanship outlined herein. Welded structure, pulleys, bushings, upholstery, grips, and cables are guaranteed for the life of the registered owner if used in a residential (home) setting (please note that when using equipment rated light-commercial or commercial in a commercial setting, the warranty is two years). Aerobic equipment is excluded from the lifetime warranty, and is subject to a two year limitation on coverage.

After receiving a "return materials control number," the customer is responsible for shipping the defective equipment to Yukon via prepaid freight for replacement or repair. This warranty covers only failures due to defects in materials and workmanship that occur during normal use. It does not cover damage that occurs in shipment or failures due to misuse, abuse, neglect, misapplication, alteration or improper assembly of the product.

Replacement or repair as provided for under this warranty is the sole remedy of the user and customer shall be responsible for paying freight charges. Yukon shall not be liable for any incidental or consequential damages or for breach of any express or implied warranty on this product. At its sole discretion, Yukon International reserves the right to use or provide reconditioned parts and/or to request a return and repair existing defective or broken parts.
